

# RED ROPE – SOCIALIST WALKERS AND CLIMBERS

## WHAT'S DIFFERENT ABOUT RED ROPE?

Red Rope is a friendly outdoor club with a difference. We operate on socialist and green ethics of sharing and sustainability. Our members go hill-walking, country walking, mountaineering and climbing, day and weekend trips. With groups in a dozen regions of Britain, there is plenty to join in with.

Groups run their own calendar of events and there are national trips for everyone. Family-friendly, parents and children welcome. We are a very inclusive club – beginners and new members get a warm welcome.

*Red Rope has groups in Bristol and South West, London, Coventry, Birmingham, Leicester, Manchester, Liverpool, Sheffield, Cumbria & Lancashire, Bradford & West Yorkshire, Newcastle, Scotland...*
