## Subscription application and invoice for Jan 2024 to Dec 2024

Please complete this form for this year's membership and return to the address below. We appreciate that for many union branches calculating the number of members that fall within Northampton and District is difficult, or even impossible. Therefore, we are inviting unions to offer a donation in addition to the affiliation. Your branch can use this to make an overall contribution that you feel is appropriate. All additional funds will help further Trades Council campaigns on your behalf.
